

Overhaul kit DI12 P96

Recommended Parts for Replacement During DI12 P96 Overhaul

Below is a list of parts we recommend replacing during the overhaul of the DI12 P96.

Please note that the list can be adjusted as needed parts can be added or removed depending on specific requirements.

Instructions:

- The recommended parts can be entered into our CSV file.
- Parts marked in red must be checked according to the specific engine number.

Please be aware that it is the customer's responsibility to ensure that all parts and part numbers are correct in relation to the specific engine and overhaul.
